Will you be in town on the 15th to participate in the question-answer period for the Midcareer group? If not, you can inform [REDACTED] accordingly when you are down at [REDACTED] on 8 February and decide by that time if you want a substitute in your place for the 15th.

I hope to see you Thursday morning briefly to discuss one phase of Midcareer briefing for 8 February.

2. Just want to confirm what I mentioned earlier to Ann that I canceled [REDACTED] briefing of the Staff scheduled for 2 February since you have the PFIAB briefing, and I have rescheduled it for next week, 9 February, 1500 hours.
